HP Flexi Edition ®

This SAi flagship product offers the total solution for design, print, print-and-cut and direct-to-vinyl production workflow. It includes a powerful 64 bit RIP system with a full printer and cutter production feature-set, as well as a complete design application that makes sign and print design easy. No matter what type of job you need to produce, Flexi has the tools.
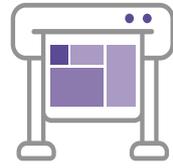

Unique Features

64 BIT RIP
Flexi 19 is stronger, faster and has more production power than ever before.

SPOT COLOR MAPPING
Customize spot color formulas to match the exact color you're looking to print.

AUTOMATICALLY NEST
Automatically merges multiple files that are simultaneously added to the print queue.

AUTO TILE & SMART NEST
Automatically tile objects that are bigger than your media and tile objects within confided spaces.

QUICKQUOTE
Generate professional quotes from your desktop or mobile device.

PRINT & CUT
Quickly print, print-and-cut and direct-to-vinyl cut wide-format jobs from one application.

PROFILE WIZARD
The automated profile wizard takes away the manual guess work in profile creation.

OPTIMIZE ICC FOR PANTONE
Achieve accurate color matching through automatic adjustment of the ICC profile color table based on measurement of Delta E.

RULER & COPY COUNTER
Add a ruler and print copy counter to long-run production jobs to easily keep track of prints.
