

SideKick

SideKick, your shop's new best friend, provides the essential tools you need to effectively manage your sign and print operations. Use SideKick on your desktop or mobile device to manage your shop from anywhere at any time.

MANAGE CUSTOMER CONTACTS AND ACCOUNTS

Quickly and easily create accounts and contacts for your customers and keep them all in one place. Organize them into groups or search by name for seamless retrieval.

MOVE JOBS THROUGH STAGES OF PRODUCTION

View the jobs dashboard to quickly check the status of your orders. Then simply drag and drop them as they move through your stages of production.

CREATE PROFESSIONAL QUOTES

Customize and save your most common products to make creating quotes as easy as possible. Quickly add other services and extras to your quotes and send in seconds.

INTUITIVE AND CUSTOMIZABLE PRELOADED PRICING

SideKick comes with predefined products and finishing options with standard industry pricing. You can also customize those preset products to fit your business.

SAVE QUOTES AND CUSTOMER INFORMATION

Quotes are saved on your account for the life of the subscription and kept in one place. Streamline your processes and never lose track of your quotes or your customers.

QUICKLY CREATE AND SEND PDF INVOICES

Keep track of payment terms and schedules then turn completed jobs into invoices with two clicks and export them as PDFs with ease.
